

On behalf of the Austin Herb Society (AHS), we invite you to join as a sponsor member for the upcoming year.

In turn, we will do great things to support herb awareness and herb-loving businesses like yours.

**Sponsor Member benefits include:**

- \* Business information printed in annual brochure
- \* Business information listed on Austin Herb Society website, with link to your website
- \* Opportunity to distribute brochures, handouts and event announcements at meetings
- \* Opportunity to submit educational articles on our website
- \* Free attendance for you or your staff at our monthly educational member programs, 1st Tuesday @ 9:30 AM
- \* Free table to sell your products at the AHS Holiday Bazaar December 1
- \* Option to sponsor a field trip (members-only activity)

\* Plus, creative ways to interact with our members. Ideas include a special tour of your business, an open house, member-only shopping days, coupon book, etc. Please voice your interest. All sponsor activities are sponsor initiated.

Through our member sponsorship program, we wish to expand and unite the herbal community – and everyone benefits. If you would like to get involved in the planning and development process, we have opportunities to help or lead.

To join, please submit payment by August 15. Sponsorship dues are \$85.

The Austin Herb Society is a 501(c)3 organization that provides charitable and volunteer support for public gardens, libraries, schools and special projects. Please know that your support provides important monetary backing while building interest for all things herbal. We hope you will join us again.

We look forward to your membership in the Austin Herb Society!

Cindy Boyle, AHS Sponsorship Committee
