

GARDEN SONG

(Dave Mallett)

Inch by inch, row by row,
Gonna make this garden grow,
All it takes is a rake and a hoe,
And a piece of fertile ground.

Inch by inch, row by row,
Someone bless these seeds we sow,
Someone warm them from below,
'Till the rain comes tumblin' down.

(extra verses by Kim Lehman)

Shovels out, double dig
The job ahead is very big
When we're done we're take a swig
Of water nice and cool

Grab a spade it's time to plant
Dig and bend and sweat and pant
In the end it will enchant
All the visitors 'round here.

Salvia, oregano
Lavender and yarrow
Nasturtiums and aloe
Parsley, fennel, feverfew

Lemon mint, day lilly
Echinachia and daisy
Iris, primose and pansy
Bringing beauty to us all.
